Reginald Manning, Trio Group, Incorporated, Project Management

We have worked together for over one year. Lynn is a leader in the graphic design and marketing arena. Her outstanding work in developing our web site, logo, and brochure and email-marketing articles has helped our organization. When we compare our marketing with our competition we keep calling Interlynk. The combination of good work and great personality adds value to our organization. The Interlynk Design Team is truly a valued supplier to our organization.

Donnie Perry, National Business Development Center

It was really great doing business with Lynn and the Interlynk Design Team. I gave them a brief outline of what I was looking for on my Internet site and how functional I wanted it to be for clients to contact me. They did a wonderful job of listening to my concerns and producing a quality product at an affordable rate. I recommend Interlynk without reservations and have received nothing but positive feedback from my referrals. The Interlynk Design Team does a wonderful job in web design and other creative art forms.

Tracy Diamond, Diamond Entertainment, Corporate Parties

Faye Clayton, Meeting Masters, Inc.

Lynn's exceptional teaching techniques have enabled me to take our marketing program to a whole new level. The one-on-one instruction on Powerpoint, Publisher & PhotoShop is priceless! Ms. Thompson is always professional yet personable with an easy to follow method of teaching. All of us at Meeting Masters look forward to an opportunity to learn from her. We have been so impressed with her knowledge we look forward to working with her on other marketing projects in the future.

Rev. Melanie Conner, Zion Hill Community Development Center

I just had to take a moment to tell you how much I appreciate your work on the website. You jumped right on it and got it up and running so quickly! I can't wait to share it with the Board of Directors.
