

Print Services

Last Updated Sunday, 14 June 2009

Our goal is to give you the best possible full color printing service available. Creating and designing business cards online can be very quick with proper knowledge of our online software system. Whether you are working on that special project or developing new clientele, we want to educate and service you as best as possible in your design.

In today's fast-paced world, it is your ideas that will make the difference -- and capturing and communicating those ideas on paper are more important than ever. Interlynk provides superior print quality and fast delivery, and offers a large array of print products from business cards to posters, CD/DVD Covers to presentation folders.

Interlynk and it's strategic partners are equipped to handle any print job at any time. We stand behind their quality, delivery, price and customer service. Interlynk provides low-cost feature-rich printing capabilities, and emphasizes service to small and medium sized businesses, allowing you to order printing and focus on your core competencies while Interlynk handles all the complicated details that goes along with printing services.
