

## Newsletter and Blogging Service

Last Updated Wednesday, 02 September 2009

Stop struggling with writing and publishing your newsletter!

Let us Interlynk do it for you! Save yourself all the hassles of writing, formatting, distributing, managing, and all the other newsletter tasks with our total service.

- Quality Content - yours or ours, or blended
- HTML Formatting or PDF
- Custom Designed with your web site branding look
- Ezine Distribution, mailing
- Database Management
- Ezine Sign-up Form for your web site
- Help with web site posting of newsletter.

All-in-One Ezine System: Besides providing quality content, we can also format into HTML or PDF so that the graphics are embedded into an attractive email with your company name, color, your photo and marketing message. We can blend your articles with ours, or just use your own materials freshly edited. We will manage your database and use a reliable automated newsletter distribution system, for a reasonable fee.

Need A Blog?

We can also design a professional business blog for you, set it up, so that you can start communicating with your readers in this interactive new medium.
